Helio service vessel certificate

VECTORNEXT / SYNTHETIC EVALUATION / FICTIONAL DATA

Certificate scope

Synthetic transport fixture. Transit service certificate, September 2031. Vessel name: Helio.

Passenger authorization

The certified passenger limit is 20 persons. The vessel also carries a crew of 6; crew are not included in the passenger limit.

Lifeboat rating

Each lifeboat has a certified capacity of 12 persons. Two lifeboats are installed. The question of capacity per boat does not require adding the boats together.

Superseded certificate

The withdrawn 2030 certificate allowed 18 passengers. The current September 2031 certificate supersedes that number.
